# Re-Build Syria Exhibition

*We Must Open the Door of Opportunities.  
But We Must Also Equip Our People To Walk Through It*

**Re-Build Syria** Exhibition is an annual event to provide the best materials for the rebuilding of the country; it is specialized in fields of construction, energy, water treatment and covers every field under the reconstruction process.

Year after year; Re-Build Syria has been growing and attracting more positive attention from all over the world; exhibitors, businessmen delegations, and investors are taking part in the massive construction opportunities in Syria

Re-Build Syria in its 3rd edition, is the biggest exhibition in Syria concerned with providing the most sophisticated and cutting-edge equipment from Syria and across the world.

This event is under the patronage of the Syrian Government and with the cooperation of the Ministry of Public Works. It is considered as the connection point between the governmental sectors in Syria and the local & International companies by providing the perfect platform for B2B meetings.

Considering the huge damage caused by the war, Syria now is one of the most rivaling countries in the Middle East for having a huge number of upcoming projects, therefore it is in dire need for investors, new equipment and working forces to help with continuing the rebuilding process which has already started in the safe cities in Syria.

## **The Rehabilitation of Syria Extends to:**

- Rebuilding and Reconstruction.
- Electricity.
- Water Treatment.
- Oil & Gas.
- Transportation.
- Bridges & Railroads.
- Agriculture.

- Banking & Investments.
- Real Estate Development.
- Renewable Energy.
- Hospitals & Schools.
- Security & Fire Protection.
- Heavy Machinery & Vehicles.
- Plastic, Print, Packaging & Petrochem.
- In addition to more sectors.

The rebuilding of Syria has been estimated by the government to cost up to (\$500 Billion).

If opportunity doesn't knock, we build you the door for a better future. Be with us in the biggest event in Syria and have the chance to enter the most growing market in the world to have a part in the upcoming rebuilding projects in the country.

# SYRIA STONE

The 6<sup>th</sup> International Trade Exhibition in the Middle East and Syria, specialized in Materials, Equipment and Accessories of Stone, Marble, Basalt, Granite, Mosaic, Tiles and Sanitary Ware.

## SYRIA STONE :

- Offers a unique opportunity for the construction industry from Syria and across the world, showcasing new products and technologies in the exhibition.
- It is an annual event meant to focus on the development of building materials and construction technologies. The motive and objective behind the event is to bring forward the recent developments in the field of construction activities.
- It is also a convenient platform to meet the leading investors in Syria in the stone industry, manufacturers, suppliers and professionals, to exchange views and discuss the new projects with international companies.
- It is intended to be a great attraction to a large number of professionals and visitors both from Syria and abroad.

## AL- SALIMAH INDUSTRIAL ZONE:

AL-Salimah industrial zone located 15 KM from Damascus and currently has about 200 facilities specializes in marble cutting and drilling, sculptures, blocks, tiles and other concrete industries.

The industrial zone is the only one that works in the field of building materials in Damascus and its countryside.

Represent an investment opportunity giving that a big number of quarries and factories are subjected to investment.

And today there are many studies that consider expanding the zone.

### Stone & Its Products:

- Granite Blocks, Slabs & Finished Products.
- Finished Marble Products.
- Natural Stone.
- Stone Products.
- Onyx.
- Travertine.

### Stone Technology and Equipment:

- Abrasives and Adhesives.
- Cutting, Polishing and Handling.
- Equipment Materials.
- Surface Treatment Chemicals.
- Mosaic Machines.
- Drilling Tools.
- Transports Hosting and Packaging.
- Diamond Tools.

# Syria Scape

The 2<sup>nd</sup> annual, International Banking, Real Estate & Investment Exhibition, and the pioneer in showcasing the upcoming Real Estate opportunities across major property markets.

**SyriaScape** is your way to be part of the Syrian growing market for experienced and aspiring real estate investors across the region. Meet and sell to qualified and motivated investors, because at the upcoming phase, the investment domain will be intensively focused upon by being one of the major sectors of the rebuilding process through its contribution to the national economy and development. It is a unique platform to escalate business networking through banking services, top executives, the regional and international investors, developers, investment promotion authorities and other real estate professionals to drive growth in real estate investment and development across emerging markets globally.

**SyriaScape** is the true platform for both local and international real estate companies and banks to meet with businessmen delegations from across the world and showcase their products and services.
